### Delivery-content

#### Aquamatic

Engine, transom-shield incl. Power Trim  
 Drive DuoProp DPH, DPS, DPR or SingleProp SX  
 Instruments with cable- engine-helmstation  
 Trim-Instrument, Power-Steering (Servo-support)  
 EVC EC-engines including electronic Control-lever for shift/engine-speed  
 without propellers, see accessories information  
 - more instrumentations etc against surcharge available on request

### Remarks:

- 1) Propshaft-power/crankshaft-power according ISO 8665. Local available fuel-qualities can lead to deviations regarding power and fuel-consumption. All above listed engine-models, standard-equipment and accessories are not available in all countries. Changes without further notice allowed.
- 2) all Catalyst engines are equipped with 2-circle (freshwater-) cooling as standard.
- 4) Weight including Aquamatic-drive, gearbox, Saildrive and/or Volvo Penta IPS
- 7) Weight without any gearbox
- 8) Gearbox-types MS15A, MS25A + HS25A : 8° angle down propeller-flange  
 Gearbox-types MS15L + MS25L : 0° straight propeller-shaft-flange

### Exhaust-Emission-Legislation:

- 1 BSO II (Single Installation)
  - 2 BSO II (Twin Installation)\*\*
  - 4 IMO Tier II (valid for engines above 130kW)
  - 5 IMO US/EPA (valid for engines above 130kW)
  - 6 US/EPA Tier 2
  - 7 US/EPA Tier 3
  - 8 EU Recreational Craft Directive (RCD 2 )
  - 9 CARB (valid for Diesel-engines up to 37kW)
  - 10 CARB 4 Star (valid for Gasoline-engines)
- \*\* local adaptation against surcharge possible:  
 D4-225 reduced to Crankshaft-power to 147kW/200hp  
 D3-170 no changes of Crankshaft-power BUT other Data-Set necessary !!

### Sound-Emission Legislation

S All Volvo Penta Aquamatic and IPS Systems have an integrated Exhaust-system and comply with the Sound-Emission-Regulations according EU Recreational Craft Directive (RCD)
